DELILAH

Chihuahua

- 2 years old, female, 8 lbs.
- Good with other dogs
- House-trained (though is a “diva” in snow or rain)
- Fearful of new people and requires an adjustment period in any new home (i.e. two days of hands-off, enclosed space to feel safe and to learn you are not going to harm her).
- Likes other dogs; is more on the dominant side.
- Once settled in, is the most loving, snuggly, attentive, obedient, happy little girl who never stops wagging her tail.
