Laverne

- Purebred 13 Inch Beagle
- 2 years old, female-spayed
- Weighs 22 lbs. *(she is just a tad bit overweight!)*
- Up-to-date on vaccinations!
- Excellent with dogs, cats and kids!!!
- Extremely sweet, loving playful and affectionate!
- Crate trained and housebroken!
- Good with leash walking and on car rides!
- **Fenced in yard required** *(not invisible fencing)*
- *Poor Laverne (and Shirley) were used as breeding machines then dropped off at a high kill shelter (facing a gas chamber) ... she couldn't be any sweeter if she tried!! She will make a phenomenal loyal companion who just wants to sit on a lap, give kisses and play a bit!*

to have around
because I'm very
funny and
entertaining!!!

I also have
very beautiful

do say so
myself!
