Male Kitty, 12 to 14 weeks old FOUND July 4th... NEEDS HOME!

My hubby found him at his job and brought him home over the holiday weekend. We've kept him thus far and have not been able to find a home for him. We cannot keep him due to grandkids and allergies, and are hoping you can help find a good home for him.

He's VERY smart and playful, litter box trained, and we purchased a number of cat toys and a scratching post for him that we would be happy to donate.

As you can see from the pictures, he's bright and attentive, and even plays "fetch" with certain toys!

We really love him (we call him "Tinky") and wish we could keep him, but unfortunately, we can't at this time.

UPDATE: Tinky has feline leukemia and needs a home with no other cats. Despite the leukemia, he can live a long and very happy life.
